Objectives

Communities That Care

On completing this orientation, you will be able to:

- explain how the prevention-science research base helps build positive futures for youth and prevent problem behaviors
- describe the *Communities That Care* system
- address outstanding community readiness issues
- involve Key Leaders, community members and youth
- develop a Community Board organizational structure
- plan for the next steps.

Slide 1-8

Ground rules

Communities That Care

Everyone gets a chance to speak.

Everyone listens when someone has the floor. (No side conversations.)

One person talks at a time and doesn't get interrupted.

Respect others' perspectives and ideas. (No put-downs.)

Start and end on time.

Notes
